TEXAS OPPORTUNITY COALITION

JOIN US TO PASS A DREAM ACT!

Currently, Texas is home to [over 213,000 Dreamers](#), including over 110,000 current DACA recipients, as well as over 103,000 DACA eligible individuals who were not able to apply due to changes in policy that were recently invalidated. Brought to the US at an early age, these “Dreamers” have been raised and educated in America and represent some of the best talent our country has to offer. Nationally, there are [over 1.97 million Dreamers](#). Passing a Dream Act would help our state retain their talent and keep Texas competitive.

The Texas Opportunity Coalition, is dedicated to passing a Dream Act, a federal congressional solution to the Deferred Action for Childhood Arrivals (DACA) program. We recognize the important contributions that Texas “Dreamers” have made to our state, and we welcome the opportunity to make Texas No. 1 in retaining and attracting talented Dreamers who are hard workers, entrepreneurs, and consumers.

OUR GOAL

Our goal is to ensure that Texas is No. 1 in job creation and economic growth by helping pass a Dream Act: a permanent federal congressional solution to the Deferred Action for Childhood Arrivals (DACA) program that provides Dreamers with permanent legal status.

WHY WE NEED A DREAM ACT

Texas thrives on job creation. In 2018, [8,465 Texas Dreamers](#) owned businesses and created jobs.

Texas can always use more talent, and Dreamers are some of the highest achieving Americans. [96%](#) of Dreamers are either working or in school.

Our state needs hard-working individuals to keep Texans safe, healthy, and fed. Nationally, nearly [542,000 Dreamers are essential workers](#) in healthcare, restaurants and food service, agriculture, and construction.

Passing a Dream Act would prevent the Texas economy from losing up to [\\$6 billion in GDP annually](#).
